

## The Chartered Institute of Environmental Health (CIEH) Foundation Certificate in Food Hygiene

*Fundamental food hygiene knowledge for all food handlers*

### **Overview**

Most experts in food hygiene believe that educating food handlers is the only way to reduce cases of food poisoning. The CIEH Foundation Certificate in Food Hygiene qualification is designed to give all food workers an appreciation of good hygiene practice.

### **Outline programme**

The qualification covers the following topics:

- Food poisoning
- Bacteriology
- Prevention of contamination and food poisoning
- Personal hygiene
- Premises, equipment and pest control
- Cleaning and disinfection
- Legislation

### **Qualification information**

Designed for: All food handlers

Course duration: 6 hours minimum

### **Course Venue**

This programme may be run either on-site or at one of our UK training venues.
