

Official Invitation to the Working at Height Conference

Monday 12th June 2006
at

Priestfield Stadium
Redfern Avenue, Gillingham, Kent ME7 4DD

The aim of the Conference is to raise awareness on the Working at Height Regulations 2005 predominantly to small and medium-sized Construction sectors as well as Architects, Surveyors, Property Maintenance, Management and Development organisations. It will be a great opportunity for Kent-based companies to interact and share information through positive and active networking.

The main event will take place in the Great Hall. Practical demonstrations and exhibits of work equipment from Kent-based companies, will include: harnesses, tower scaffolds, low scaffold platforms and podium steps etc.
